Development Department,
Fort St. George, Madras.

Sir,

Sub:- Supply of iron and steel.

We have sent back the permit given to us on 18-8-1950 since there are no letters from you. We do not know the reason for your silence. You are keeping silence there, here we are suffering. We expected that you will surely take action over the Director of Controlled Commodities, Mount Road, Madras and help us. We do not know how much of force you are putting on them for our sake. Here heavy rains are coming. Still we have to get 5000 lbs. of 1/2" or 5/8" rods. We will be put into heavy loss. To whom we have to request and bother when you are not at all hearing us. Nearly we have finished 60% of our Bungalow, still for 40% we want only 5000 lbs of 1/2" or 5/8" rods for "Varandha" and screens. If you help us this much we will be ever grateful for you. We hope that you will take action over them and try to despatch the permit as soon as possible. We are ready to take in any corners of Madras Presidency Please search for the above mentioned rods and despatch the permits at an early date. we are requesting them from 17.7.1949 not finished even today.

Thanking you!

Yours faithfully,
For M. Siddalingappa, Siddayya
